New Life Sponsoring Texas Rehab Action Network (TRAN) 14th Annual Training Conference

The TRAN Conference focuses on member education with the goal of assisting disabled people while supporting them to gain more freedom in everyday life.

Dallas, TX, December 1, 2009 – New Life Medical Equipment announced its sponsorship of the 14th Annual TRAN Training Conference. TRAN is a non-profit organization that promotes vocational rehabilitation programs through advocating, educating and mobilizing legislative and public support. The three-day conference will cover a multitude of topics designed to educate on best practices in vocational rehabilitation.

New Life sponsors the TRAN conference in order to assist in the fight for continued improvement of vocational rehabilitation. “We support this conference because, as a company, we truly advocate for senior citizens and people with disabilities,” said Roderick Robinson, Chief Executive Officer. “We want to help disabled people become more independent. We believe it is important that they have assistance in getting back into the workforce.”

The 14th annual TRAN Training Conference will be held at the Omni Hotel in Fort Worth, Texas from December 7 to December 9, 2009. Information may be found on the TRAN website at www.thetranweb.org.

About New Life Medical Equipment
